This Memorandum of Understanding is made on \_\_\_\_\_ between.

**Autism Resource Center** was established in 2015 as a nonprofit organization providing services to children suffering from developmental disorders.

Following are some projects and services of Autism Resource Center:

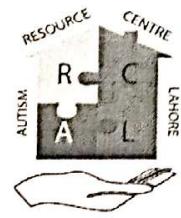

- **Therapies for Early Intervention:** Speech therapy services including challenges related to speech, language, communication, and swallowing. Occupational therapy to improve fine motor skills, play abilities, and self-care tasks (e.g., dressing, toileting) to foster independence and enhance daily living skills. Physiotherapy to support the development of gross motor skills such as balance, sitting, crawling, and walking and improve physical capabilities and overall mobility. Behavior therapy utilizing structured approaches to manage behaviors, develop social skills, academic skills, and self-help skills. This encourage positive behaviors and reduce unwanted ones through positive reinforcement.
- **School Readiness Program:** Provides classroom environments to prepare children for mainstream schooling.
- **RBT / IBT Training:** Conducts annual Registered Behavior Technician (RBT) training sessions under the supervision of Mr. Mansoor Choudry (BCBA) from Oklahoma, USA.
- **Parent Training:** Offers free training for parents to help them understand and manage their child's behavior across different scenarios.
- **MDT Meetings:** Weekly Multidisciplinary Team (MDT) meetings involving physiotherapists, occupational therapists, speech therapists, and behavior therapists. Collaborate to make informed decisions regarding children's treatment.
- **Pre-Vocational Training:** Specialized training programs for children with special needs aged 10 years and older.
